Toss until coated and roast for 35 min. After 35 min, add the **balsamic vinegar** and **honey**. Toss and bake for 5 min further.

Tip! Not keen on parsnips? Add more carrots!

2. Fry mushrooms

Meanwhile, chop the **mushrooms**. Heat a pan over a medium-high heat with a drizzle of **oil**. Add the **mushrooms** and fry for 5 min. Transfer the **mushrooms** to a plate. Reserve the pan.

Gradually add the **milk** and cook for 3 min or until thickened. Once thickened, add the **dark soy sauce** and the remaining **mushrooms**. Season with **salt** and **pepper** to taste. 1. Prep

- Peel and finely chop the **onion** and **garlic**.

- Peel and chop the **carrots** into small pieces.
- Peel the **butternut squash**, slice it in half.
- Using a spoon, remove the seeds.
- Chop the **squash** into bite size pieces.
- Drain and rinse the **black beans**.

Tip! Hate waste? Roast the butternut squash seeds with a little olive oil and salt - they make a delicious snack!

2. Fry

- Heat a large pot over a medium-high heat with a drizzle of **oil**.
- Add the **onions**, **peppers** and **carrot** with a pinch of **salt**.
- Fry for 5 min.
- Once the **onions** have softened, add the **garlic**, **fajita seasoning (spicy!)**, **smoked paprika**, **cumin** and **chipotle (spicy!)**.

6. Serve

- Once ready, stir half of the **coriander** through the chilli along with a generous squeeze of **lime** juice.
- Season with **salt** to taste.
- Serve the **Chilli sin Carne** with **Butternut Squash** and **Avocado** with the **tortilla chips** on the side.

1. Prep and roast

- Preheat the oven to 200°C/180°C fan.
- Chop the **potatoes** (skins on) into bite-sized pieces.
- Deseed and chop the **red pepper** into medium chunks.
- Trim and halve the **brussels sprouts**.
- Add the **potatoes**, **peppers** and **brussels sprouts** (cut side up) onto a lined baking tray with a generous drizzle of **oil** and a generous pinch of **salt**.
- Roast for 30-35 min.

Tip! If cooking for kids, reserve some fresh pepper.

2. Fry chicken

- Meanwhile, heat a large non-stick pan over a medium-high heat with a drizzle of **oil**.
- Once hot, add the **chicken** with a pinch of **salt**.
- Fry for 5 min on either side until golden and cooked through.
- Season with **black pepper** to taste.
- Transfer the **chicken** onto a plate and set aside.

- Remove the whole **thyme sprigs**.

- Slice the **lemon** into wedges.
- Season the **sauce** and the **chicken** with a generous squeeze of **lemon juice**.

5. Serve

- Slice the **chicken**.
- Serve the **Chicken in Creamy Thyme Sauce** with **Roasted Brussels Sprouts**, **potatoes** and **red peppers**.
- Drizzle everything with the creamy and lemony **thyme sauce**.
- Garnish with the reserved **thyme** leaves.

Tip! If cooking for kids, serve the plain chicken and the potatoes separately. Serve with the reserved fresh red pepper bites. Serve some of the sauce on the side.

1. Tomato salsa

Preheat the oven to 220°C/200°C fan. Halve the **tomatoes**. Peel and quarter the **onions**. Peel the **garlic**. Place the **tomatoes** onto an oiled baking tray, flat-side down. Add the **onion**, **jalapeno (spicy!)** and **garlic** with a generous drizzle of **oil** and **salt**. Bake for 20 min or until the **tomatoes** begin to char slightly. - Chill in the fridge until the **cake** is ready.

2. Prep dry ingredients

- Meanwhile, to a large bowl, sift in the **flour**, **cocoa powder**, **salt**, **baking powder** and **baking soda**.
- Add the **sugar** and whisk well until combined. Set aside.
- Boil the **measured water**, and pour into a cup or jug with a spout.

4. Combine batter

- Add the **dry ingredients** into the **wet ingredients**.
- Whisk until mostly combined, then pour in the **hot coffee** and mix really well.

- Pour the **batter** into the pan and bake in the center rack of the oven for 30-35 minutes, or until a toothpick comes out clean in the center.
- Cool the **cake** completely in the pan for 1 hour, or chill in the fridge for 30 min.

Tip! The foil will help the cake bake more evenly.

6. Serve

- When ready to serve, turn the **cake** out onto a plate. (You can leave it as is, or slice across the center to create two layers).
- Whisk the ganache until smooth.
- Add on top of the **cake** and spread towards the edges.
- Cut the **Matilda Triple Chocolate Cake** with **Fudgy Ganache** in slices and enjoy!

Tip! Make sure to cool the cake completely before attempting to frost with ganache. Otherwise it will slide right off!

1. Roast potatoes

Preheat the oven to 200°C/180°C fan. Chop the **potatoes** (skins on) into small bite-sized pieces. Add them onto a baking tray with a drizzle of **oil** and a generous pinch of **salt**. Roast for 35-40 min until golden and crisp.

2. Make patties

Meanwhile, peel and finely chop the **onion**. Add the **beef mince** and half of the **onion** (reserve the remaining **onion** for step 5) to a large mixing bowl with a pinch of **salt** and **pepper**. With clean hands, knead until all the ingredients are fully combined. Divide the mixture into 8 pieces, and shape each piece into a **burger patty**.

> **Tip!** Overmixing the beef mince can make the patties heavy and dense. To avoid this, just gently mix the beef mince until the ingredients are combined.

3. Fry patties

Heat a non-stick pan over a medium-high heat with a drizzle of **oil**. Once hot, add the **patties** and fry for 3-4 min on each side or until browned and cooked through. Once cooked, transfer the **patties** to a plate and reserve the pan.

4. Prep

Meanwhile, clean the **mushrooms** with a cloth, knife or brush (don't wash them with water). Roughly chop or tear the **mushrooms**. Peel and mince the **garlic**.

5. Make sauce

Return the reserved pan over a medium-high heat with a second drizzle of **oil**. Once hot, add the **mushrooms** and the remaining **onion** with a pinch of **salt** and fry for 5 min. Add the **garlic** and fry for 1 min further. Add the **cream cheese**, **measured water** and 1 **stock cube**. Bring to a simmer over a medium heat for 5 min or until the sauce thickens.

> **Tip!** Add a splash of water if the sauce thickens too quick.

6. Serve

Meanwhile, pick and finely chop the **parsley** leaves. Return the **patties** to the **mushroom sauce** with half of the **parsley** and simmer for 1 min further. Divide the **patties** among plates and garnish with the remaining **parsley**. Serve the **potatoes** alongside.

Allergens: *4 Milk, *10 Wheat, *11 Gluten, *5 Eggs, *9 Soya, *14 Sulphur Dioxide

Due to production methods, we cannot guarantee our products are completely free from any allergen such as **Peanuts, Tree Nuts, Sesame Seeds, Milk, Egg, Fish, Crustaceans, Molluscs, Soya, Wheat, Gluten, Lupin, Mustard, Sulphur dioxide and Celery.**

1. Prep

Remove the **butter** from the fridge for it to come to room temperature. Preheat the oven to 200°C/180°C fan.

Tip! Room temperature butter is a must when baking cookies. Strapped for time? Use the lowest defrost setting of your microwave and defrost the cold butter for a few seconds at a time until soft. If the butter completely melts, put it into the fridge to solidify again.

2. Mix dry ingredients

In a large bowl, combine the **plain flour**, **cinnamon**, **baking soda**, **baking powder** with a pinch of **salt**.

3. Mix wet ingredients

In a separate large bowl, using a wooden spoon or electric beater, cream the room temperature **butter**, **brown sugar** and **caster sugar** for 3-5 min or until pale and fluffy. Add in one **egg** at a time, ensuring to incorporate well after each addition. Add the **vanilla** and mix for final 1 min.

Tip! Creaming is a baking term that is the process of combining butter (or fat) with sugar until a 'paste' or mixture forms.

4. Combine

Add the **dry ingredients** to the **wet ingredients**. Using a wooden spoon, gently mix until the **mixture** is just combined. Add **dark chocolate**, **golden raisins** and **cranberries**. Give everything a good mix until well combined. Cover with a lid or cling film and leave in the fridge for a minimum of 30 min (up to 2 hours) to set.

Tip! Be careful not to over mix the cookie dough as this will result in a tough and cake-like result. Leaving the cookie dough to set gives the cookie characteristically short and crumbly texture.

5. Bake

Line a large baking tray with baking paper. Using an ice cream scoop or tablespoon, scoop the **cookie dough** and form into large golf ball-sized rounds. Bake in the oven for 12-13 min, turning them half way through. Remove from the oven and set aside to cool down. Repeat with any remaining **cookie dough**.

Tip! Be careful not to over crowd the tray as the cookies will spread when baking. Turn the cookies half way ensures an even bake.

6. Serve

Have the **Oat Cookies** as a snack, perfect for any on-the-go occasion.

Tip! Once the cookies have fully cooked, freeze in ziplock bags if you want to have them prepped in advance. Consume and enjoy once they have come to room temperature. Alternatively, freeze the cookie dough balls and bake once they have come to room temperature.

Due to production methods, we cannot guarantee our products are completely free from any allergen such as **Peanuts, Tree Nuts, Sesame Seeds, Milk, Egg, Fish, Crustaceans, Molluscs, Soya, Wheat, Gluten, Lupin, Mustard, Sulphur dioxide and Celery.**

1. Prep

Place the block of **butter** in the freezer to solidify (You'll need cold **butter** in step 3 to make the biscuits). Preheat the oven to 220°C/200°C. Peel and finely chop the **onions**. Peel and finely chop the **carrots**. Finely chop the celery. Strip the thyme leaves. Peel and finely chop the **garlic**. Slice and finely chop the chicken into small bite-sized pieces, similar in size to the rest of the vegetables.

> **Tip!** Frozen butter makes flakier and softer biscuit dough!

2. Cook

Heat a large pot over medium high heat with a drizzle of **oil**. Once hot, add the **onions**, **carrots**, celery, and **garlic** with a pinch of **rosemary**, **salt** and **pepper**. Fry for 4-6 min until softened. Add the chicken and half the thyme (reserving the rest for the biscuits). Cook the chicken for 2-3 min then add the 30 g **flour** and **stock cube** and fry for 1-2 min until pasty. Add the **milk**, and the **measured water**, and bring to a boil. Cook for 2-3 min until the mixture has thickened, then stir in the **peas**. Set aside.

3. Make biscuit batter

In a large bowl, mix together the large bag of **flour**, **baking powder**, remaining **fresh** thyme, and a pinch of **salt**. Remove the **butter** from the freezer, unwrap, and chop or grate into small pieces. Add the frozen **butter** into the **flour**. Using a fork, or the tips of your fingers, rub the **butter** into the **flour** until it resembles a sandy texture. Mix in half of the grated cheddar. Gently pour in the **measured water**, and using a spatula, stir until just combined.

> **Tip!** Do not over mix the batter. It is meant to be sticky and lumpy!

4. Scoop batter

Pour the **chicken filling** into an ovenproof baking dish or casserole. Using a large oiled spoon, scoop 16 mounds of the **biscuit batter**, and drop on top of the **chicken filling**. Top each **biscuit** with the remaining grated cheddar.

> **Tip!** For the 4 ppl box, make sure you use a larger casserole dish to make room for the biscuits. Alternatively, use 2 baking dishes.

5. Bake pot pie

Bake the **chicken pot pie** in the oven for 25-30 min until the **sauce** is bubbly, the **biscuits** are puffed up and golden, and the **cheese** has melted.

6. Serve

Divide the **chicken pot pie** and **cheddar biscuits** amongst bowls and serve immediately.

Lemon	2 Piece

Salt	0.25 Tsp
Pomegranate molasses	40 Grams

To serve	
Fresh mint	10 Grams
Natural yogurt 4*	340 Grams

Allergens: *10 Wheat, *11 Gluten, *2 Tree Nuts, *4 Milk

Due to production methods, we cannot guarantee our products are completely free from any allergen such as **Peanuts, Tree Nuts, Sesame Seeds, Milk, Egg, Fish, Crustaceans, Molluscs, Soya, Wheat, Gluten, Lupin, Mustard, Sulphur dioxide and Celery.**

1. Prep

Preheat oven to 200°C/180°C fan. In a bowl, combine the **bulgur wheat**, a pinch of **salt** and **measured water**. Leave for 10-15 min, or until the **water** has been fully absorbed. Once the **water** has been absorbed, fluff up the **bulgur** with a fork and set aside.

Tip! The longer you leave the bulgur soaking the more tender the kibbeh will be.

2. Make filling

Meanwhile, peel and finely chop the **onion** and **garlic**. Heat a large pan over a medium heat. Add the **pine nuts** to the dry pan and toast until slightly browned. Once toasted remove from the pan and set aside. To the same pan add a drizzle of **oil**. Once hot, add the **onion** and fry for 5 min until softened. Add the **allspice**, **cumin**, **cinnamon**, **garlic** with a pinch of **salt** and **pepper** to taste and 1/4 of the **beef mince**. Fry for 3-4 min until the **beef** has fully browned. Once browned, add the **pine nuts** and remove from the heat.

3. Assemble kibbeh

In a large bowl, combine the **bulgur wheat**, remaining 3/4 of lamb **mince**, **arabic masala** with a pinch of **salt** and **pepper** to taste. To a baking dish add half of the **bulgur/beef mix** and firmly pat down to form a bottom layer. Scatter the **filling** mix evenly over the top. Place the remaining **bulgur/beef mix** on top of the **filling** and firmly pat down, covering the **filling** fully - this is now your **kibbeh**.

4. Bake kibbeh

Using a knife, cut the **kibbeh** into slices. Dollop the **ghee** evenly over the top and bake the **kibbeh** in the oven for 20-25 min or until the **beef** is fully cooked.

Tip! Cutting the kibbeh into slices before baking will help with separating it once cooked.

5. Make salad

Meanwhile, finely chop the **tomatoes** and **cucumber** into small cubes. Pick and finely chop the **parsley**. Chop the **lettuce** into bite-sized pieces. Slice the **lemon** into wedges. To a large bowl, add the **tomatoes**, **cucumber**, **parsley** and **lettuce**. Squeeze in the **lemon** juice. Add the **sumac** and a pinch of **salt** and **pomegranate molasses**. Mix well and set aside.

Tip! Toss the salad just before serving to prevent wilting.

6. Serve

Pick and finely chop the **mint**. In a small bowl, combine the **mint** and **yogurt**. Remove the slices of **kibbeh** from the baking dish. Place a slice on a plate, spoon over some of the **yogurt** and serve with the **salad** on the side.

1. Prep

- Preheat the oven to 180°C.
- Grease and line a 20x10cm loaf pan with parchment paper.
- Peel and grate the **carrots** using a box grater.
- Roughly chop the **walnuts** into smaller pieces.

Tip! You could also use a 20cm square or round cake pan to bake the cake.

2. Mix dry ingredients

- In a large bowl, sift the **flour**, **baking powder**, **baking soda**, **cinnamon**, **ginger**, **nutmeg**, and **salt**.
- Whisk until combined, and set aside.

Tip! Sifting dry ingredients helps break up any lumps, and creates a lighter and airier cake that will bake taller.

3. Mix wet ingredients

- In a microwave, melt the **100g** block of **butter**.
- In a separate large bowl, whisk the **eggs**, **white sugar**, and **brown sugar** until well incorporated.
- Add and whisk in the melted **butter** and **vanilla**.
- Finally, stir in the **sour cream** until combined.

Tip! Don't have a microwave? Melt the butter in a small pot.

4. Combine batter

- Using a spatula, add the **dry ingredients** into the **wet ingredients** and gently combine.
- Add the grated **carrots** and the chopped **walnuts** (reserving some for garnish), and gently stir / fold to incorporate.
- Avoid over-mixing the batter.

Tip! The volume of shredded carrots are dependent on their size. Feel free to use 3/4 of the total amount, or up to 2 packed cups in the batter.

5. Bake

- Spread the **cake batter** into the prepared loaf pan and bake in the center of the oven for 45-55 min.
- The cake is done when a toothpick inserted in the center comes out clean without any raw batter.
- Remove the cake from the oven and set aside to cool completely in the pan for 10-15 min.
- Once cooled, remove the cake and set on a plate or board.

Tip! If the cake is browning too quickly, loosely cover the top with aluminum foil or parchment paper halfway through baking.

6. Make cream cheese drizzle

- Meanwhile, in a medium bowl, add the **cream cheese** and **20g of butter** and whisk well until smooth and creamy.
- Sift in the **icing sugar** and whisk until combined.
- Place in the fridge to set.
- Once the cake has cooled, spread the **cream cheese** on top, and garnish with the reserved **walnuts**.

Tip! You can slice and store slices of unglazed cake in the freezer, perfect for lunchboxes and on-the-go snacks!

1. Boil potatoes

- Preheat the oven to 200°C/180°C fan.

- Add them to the pot. Cook for 15-20 min or until tender-firm.

2. Marinate chicken

- Meanwhile, peel and finely mince the **garlic**.
- Slice the **lemon** into wedges.
- In a large bowl, combine the **chicken** with 2 Tbsp of **natural yogurt** (reserving the rest for the potato salad), **garlic**, juice from half of the **lemon** wedges, **cumin**, **oregano**, a drizzle of **oil**, **salt** and **pepper**.
- Mix well.
- Set aside to marinate.

Tip! If cooking for kids, reserve some of the chicken, coat it with oil and season with a pinch of salt. Bake separately.

3. Prep vegetables

- Halve the **apples**, remove the stem and core.
- Chop them into small cubes.

Pat the **steak strips** really dry with paper towels. Season with a good pinch of **salt** and **pepper**, and mix in the **flour**.

3. Fry beef

Heat a large pot over a high heat with a good drizzle of **oil**. Once hot, add the **steak strips** in small batches, and fry for 2-3 min until deeply browned. Transfer the **steak strips** to a plate and reserve the pot.

Tip! Make sure the pot is really hot before adding the beef. Otherwise, it will stew, and not brown. You want to develop deep and rich flavour at this stage.

4. Make stew

Add another drizzle of **oil** with the **mushrooms**, **onion** and **carrots** with a pinch of **salt** and fry for 5 min until the **mushrooms** brown. Add the **garlic**, **bay leaves**, and **tomato paste**. Fry for 1 min further. Add the **steak strips** back, the **measured water**, **balsamic vinegar**, **brown sugar**, **stock cube**, and either 0.5 or full bundle of **thyme** (to taste). Bring to a simmer, reduce the heat to medium and cook covered for 30-35 min until the **steak** is tender.

Tip! Add a splash of water to the stew if it reduces too quickly.

5. Make mash

Meanwhile, peel and chop the **potatoes** into bite-sized pieces. Add them to a pan of boiling water with a generous pinch of **salt** and cook over medium heat for 20 min or until soft. Once soft, drain the **potatoes** and return them to the pan. Mash until smooth, add the **butter**, and season with **salt** and **pepper**.

6. Serve

Roughly chop the **parsley** and stir into the stew. Divide the **mashed potatoes** amongst plates and top with the **beef bourguignon**.

Once boiling, reduce the heat to low, cover, and cook for 10-12 min or until the water is absorbed and the **rice** is cooked. Once cooked, remove the pot from heat and reserve until step 5.

3. Scramble egg

Once the **rice** is cooked, add it to the pan followed by the **soy sauce**, **sweet soy sauce**, **sriracha (spicy!)** and **spring onion** (reserve some for garnish). Fry for 1 min and toss to coat.

Tip! If cooking for kids, set aside a portion of plain cooked rice before adding to the pan.

6. Serve

Divide the **chicken fried rice** among plates and garnish with the remaining **spring onion**.

Tip! If cooking for kids, serve the chicken, vegetables, cooked rice, and scrambled egg separately. Serve the spring onion as 'sprinkles' to the side.

1. Marinate chicken

Pre-heat the grill to high. Slice each **chicken breast** in half as if you were cutting a burger bun, so you are left with two thinner **chicken** escalopes. In a bowl, combine the **garlic onion powder**, **red vinegar**, **smoked paprika**, **soy sauce**, **honey**, **sriracha (spicy!)**, a pinch of **chipotle (spicy!)** and the **oil** with the **Worcestershire sauce**. This is your **Peri-peri marinade**. Place the **chicken** escalopes into the **marinade** and turn to coat.

Tip! Keep a portion of the chicken aside for your child. Go easy on the Sriracha and chipotle!

4. Grill chicken

Meanwhile, place the **chicken** onto a lined baking tray. Grill for 8-10 min until cooked through.

Tip! Keep the reserved chicken separate for your child on the baking tray.

2. Prep

Peel and finely chop the **shallots**. De-seed and finely chop the **pepper**.

Tip! Keep a small portion of the peppers to the side.

5. Make peas

Meanwhile, pick and finely chop the **parsley** and **mint** leaves. Melt the **butter** in a saucepan, then add the **peas**. Cook for 2 min. Remove from the heat, and add half of the chopped **parsley** and all of the **mint**. Toss to coat. Season with **salt** and **pepper**.

Tip! Remove a portion of the peas before adding in the herbs and set aside.

3. Start rice

Heat a pan over a medium heat with a drizzle of **oil**. Add the **shallots** and **pepper** and fry for 3 min. Add the **turmeric** and a pinch of **chilli flakes (spicy!)** and fry for 1 min further. Add the **rice**, **stock cube** and **measured water** and bring to a boil. Reduce the heat to low and simmer for 10-12 min until the **rice** is cooked.

Tip! Keep the chilli aside as a garnish to add to your own plate when serving

6. Serve

Finish the **spicy rice** with a squeeze of **lemon** juice and the remaining **parsley**. Add a spoon of the cooked **marinade** from the tray to the mayonnaise and mix well. This is your **Peri-peri** mayonnaise. Serve the **Peri-peri chicken** with the **rice**, **peas** and **Peri-peri** mayonnaise to the side.

Tip! Set aside a portion of the rice before adding the lemon and keep some of the parsley for 'sprinkles'. Serve the the rice, plain chicken, peppers and peas separately. To the side serve the mayonnaise with any remaining lemon wedges.

Rice	
Basmati rice	300 Grams
Butter [4*]	20 Grams
Salt	1 Tsp
Water	600 ML

To serve	
Fresh parsley	15 Grams
Pine nuts [2*]	40 Grams

Allergens: *15 Celery, *4 Milk, *2 Tree Nuts

Due to production methods, we cannot guarantee our products are completely free from any allergen such as **Peanuts, Tree Nuts, Sesame Seeds, Milk, Egg, Fish, Crustaceans, Molluscs, Soya, Wheat, Gluten, Lupin, Mustard, Sulphur dioxide and Celery.**

1. Make rice

Rinse the **basmati rice** and drain. Heat a pot with a lid over a medium heat with the **butter**. Once melted, add the drained **rice**, **salt**, and the **measured water** and bring to a boil over a high heat. Once boiling, reduce the heat to low, cover, and cook for 10-12 min or until the **water** is absorbed and the **rice** is cooked. Once cooked, remove the pan from heat and keep covered until serving.

2. Prep

Meanwhile, chop the **eggplants** into bite-sized pieces. Place them in a colander over a plate. Sprinkle **salt** over and let it stand for 10 min. Peel and finely chop the **onion**. Deseed and chop the **green pepper** into small chunks. Pick and finely chop the **parsley** leaves. Peel and finely mince the **garlic**. Once the **eggplants** "sweat", give them a quick rinse and pat dry.

Tip! Salting eggplants prior to cooking helps draw out excess moisture so they have a softer texture, and a stronger flavour.

3. Pre-cook Potatoes

Meanwhile, peel and chop the **potatoes** into bite-sized pieces. Place them in a microwave safe bowl, cover with a plate and microwave on high for 4-5 min until they are halfway cooked through. Alternatively, you can boil or steam the **potatoes** for 5-7 min until they are slightly softened.

Tip! Did you know that potatoes take longer to cook in tomatoe-based stews due to the high acidity? Par-cooking them helps speed up the process.

4. Fry

Heat a large pan over a medium heat, add the **pine nuts** and dry toast them for 1 min until golden, remove and set aside in a small bowl. To the same pan, add a drizzle of **olive oil**. Once hot, add the **eggplant** with a pinch of **salt**. Fry for 6-7 min until golden. Add the **onion** and **garlic** and cook for 5 min further. Add the **allspice**, **coriander cumin powder**, **curry powder**, **paprika powder**, **tomato paste**, and fry for 1-2 min further.

5. Simmer

Add the **passata**, **pomegranate molasses**, **brown sugar**, **vegetable stock cube**, **measured water**, and **peppers** to the **stew**. Bring to a boil and simmer, covered, for 5 min. Add the **potatoes** and simmer for 5 min further or until the **eggplant** is cooked through.

Tip! Adjust the consistency of the stew by adding more water, if you like.

6. Serve

Serve the **eggplant stew** over the **rice** and garnish with the **fresh parsley** leaves and **pine nuts**.

1. Roast vegetables

Preheat the oven to 220°C/200°C fan. Slice the **potatoes** and **eggplant** into approx 0.25cm thick long vertical slabs. Place the **potatoes** at the bottom of a baking tray. Add the **eggplant** on top. Drizzle with **olive oil** and season with **salt** and **pepper**. Roast for 25 min until the **potatoes** are fork tender and halfway cooked through.

2. Prep

Meanwhile, peel and finely chop the **onion** and **garlic**. Pick and finely chop the **parsley**.

3. Cook lamb

Heat a large pan over a medium heat with a drizzle of **olive oil**. Add the **onion** and fry for 3-5 min until softened. Add the **garlic** and lamb and fry for 5 min until browned. Add the **tomato paste** and fry for 1-2 min further. Add the **stock cube**, **oregano**, **cinnamon**, **allspice**, **measured water**, and **black pepper**. Remove the pan from the heat and allow the sauce to cool for 2 mins. Once cooled, whisk in the **parmesan**, **nutmeg**, a pinch of **salt** and **pepper**, and **egg yolks**.

5. Bake

To a medium ovenproof dish, add half of the lamb sauce. Cover with a layer of **potatoes**, then the **eggplants**. Add the rest of the lamb, and top with the **bechamel sauce**. Bake for 20-25 min until golden brown on top. Set aside to cool for 5-10 min before slicing.

Due to production methods, we cannot guarantee our products are completely free from any allergen such as **Peanuts, Tree Nuts, Sesame Seeds, Milk, Egg, Fish, Crustaceans, Molluscs, Soya, Wheat, Gluten, Lupin, Mustard, Sulphur dioxide and Celery.**

1. Prep

- Preheat the oven to 200°C/180°C fan. Soak the **bamboo skewers** in water.
- Peel and chop the **onion** in half (reserving the other half for garnish). Deseed the **small green chilli**.
- Using a food processor, add the **onion**, **small green chilli** (spicy!), and **fresh coriander** (stems included). Pulse 6-8 times until finely minced.

Tip! If cooking for kids, leave out the green chilli from the mix.

2. Toast spices and mix lamb

- In a dry hot pan, add the **cumin seeds**, **fennel seeds**, and **coriander seeds**.
- Toast for 1-2 min until lightly smoky and fragrant.

1. Roast potatoes

Preheat the oven to 200°C/180°C fan. Remove the **steaks** from the fridge. Roughly chop the **rosemary**. Rinse the **potatoes** and chop them (skins on) into small cubes. Add them to a large baking tray with the **rosemary**, a drizzle of **vegetable oil** and a generous pinch of **salt**. Toss until the **potatoes** are fully coated. Roast for 40 min or until golden and crisp.

2. Prep vegetables

Meanwhile, peel and chop the **shallots** and **garlic**. Clean the **mushrooms** with a cloth, knife or brush (don't wash them with water). Slice the **mushrooms**.

3. Cook sauce

Heat a pan over a medium-low heat with a drizzle of **oil**. Once hot, fry the **mushrooms** for 8 min until browned. Reduce the heat to low and add the **shallots** and **garlic**. Fry for 2-3 min further. Add the **cream**, **measured water** and **stock cube**. Simmer for 5 min or until the sauce has thickened (add a splash of **water**, if needed). Season with **salt** and **pepper**.

4. Fry steaks

Pat the **steaks** dry with kitchen paper, rub them with **oil** and season with **salt**. Heat a second large pan over a high heat. Once very hot, add the **steaks** and fry them for 3 min on each side. Place on a baking tray and finish **cooking** them in the oven for 8-10 min or until cooked to your liking. Transfer the **steaks** to a plate and leave them to rest for 10 min.

Tip! Why not cook the steaks on the grill / barbecue / braai?

5. Asparagus

Meanwhile, remove the **asparagus**' woody stems. Cook the **asparagus** in a pot of salted boiling water for 3-4 min or until tender. Drain once tender.

6. Serve

Season the rested **steaks** generously with **salt** and **pepper**. Serve the **steaks** with the **roasted potatoes**, **mushroom sauce** and the **asparagus** to the side.

Tip! The resting of the steak is as important as the frying of the steak. It sets the meat's juices and allows the fibers to relax, leaving the end result more tender and your plate less messy.

Rice	
Long grain rice	300 Grams
Salt	1 Tsp
Water	600 ML

Mint yogurt	
Fresh mint	20 Grams
Natural yogurt 4*	340 Grams
Salt	0.5 Tsp

To serve	
Cucumber	2 Piece

Allergens: *4 Milk, *5 Eggs, *9 Soya, *15 Celery

Due to production methods, we cannot guarantee our products are completely free from any allergen such as **Peanuts, Tree Nuts, Sesame Seeds, Milk, Egg, Fish, Crustaceans, Molluscs, Soya, Wheat, Gluten, Lupin, Mustard, Sulphur dioxide and Celery.**

1. Prep salsa

Preheat the oven to 220°C/200°C fan. Peel the **garlic**. Peel and chop the **red onion** in half (reserving the other half for the casserole). Deseed the **red pepper** and chop into chunks. Slice the **large green chilli** (spicy!) in half and remove the seeds. Pick the **parsley** leaves. To a food processor, add the ingredients and pulse 8-10 times until the **vegetables** are finely chopped into very small pieces - this is your **kofta mix**.

Tip! Alternatively, use a box grater and/or knife to finely chop everything.

2. Mix kofta

In a large mixing bowl, add the **mince**, **tomato paste**, **arabic mix masala**, **curry powder**, **smoked paprika**, a generous pinch of **black pepper**, and the **kofta mix**. Crumble the **chicken stock cube** on top, and knead the mixture well until fully combined and all the ingredients are distributed.

Tip! If cooking for kids, you may keep a portion of mince plain without the kofta ingredients to bake separately.

3. Bake casserole

Slice the **tomatoes** into rounds. Slice the remaining **onion**. To a medium baking dish, add the **kofta** and using your hands, spread it towards the edges. Top with the **tomatoes** and **onion**, drizzle with **pomegranate molasses** and **olive oil**. Bake the casserole for 20-25 min until the meat has cooked through. Turn the heat to grill, and bake the top for 5-7 min until the **tomatoes** are roasted and the **sauce** is bubbly and reduced.

Tip! During baking, the kofta and tomatoes will produce a delicious sauce for the rice!

4. Cook rice

Meanwhile, rinse and drain the **rice**. Add the **rice**, a pinch of **salt** and the **measured water** to a pot with a lid and bring to a boil over a high heat. Once boiling, reduce the heat to low, cover, and cook for 12-14 min or until the **water** is absorbed and **rice** is cooked. Once cooked, remove the pot and keep covered until serving.

5. Make mint yogurt

Pick and finely chop the **mint** leaves. In a small bowl, combine the **yogurt**, **mint**, a pinch of **salt** to taste. **Mix** until smooth and set aside. Slice the **cucumber** in half and into strips.

Tip! If cooking for kids, reserve a portion of plain yogurt to the side.

6. Serve

Slice the **kofta** into squares. Serve on top of the **rice** with extra **sauce** from the pan. Top with the **mint yogurt**, and serve with **fresh cucumbers**.

Tip! If cooking for kids, serve the kofta, rice, yogurt, and cucumbers separately.

1. Prep

Preheat the oven to 200°C/180°C fan. Soak the **bamboo skewers** in water. Trim and finely chop the **spring onion**. Pick and finely chop the **coriander** leaves.

2. Make meatballs

To a large bowl, add the **beef mince**, **ginger paste**, **sambal oelek (spicy!)**, **soy sauce**, **spring onion**, and a pinch of **pepper**. With clean hands, knead until all the ingredients are fully combined. Divide the mixture into 16 pieces and shape each piece into an oval **meatball**.

3. Bake meatballs

Thread the **bamboo skewers** through the **meatballs**, and set aside on a plate. Transfer to a baking tray with a drizzle of **oil**. Bake for 10-12 min or until the **meatballs** are cooked through. Turn the heat up to grill and bake for 3 min further to get some charred bits.

In a small bowl, combine the **sour cream** and **smoked paprika** with a pinch of **salt**. This is your **smoky crema**

Tip! If cooking for kids, go easy on the spice or keep a portion of the sour cream plain and set aside.

- Preheat the oven to 220°C/200°C fan.
- Slice the **potatoes** and **eggplant** into approx 0.25cm thick long vertical slabs.
- Place the **potatoes** at the bottom of a baking tray.
- Add the **eggplant** on top.
- Drizzle with **olive oil** and season with **salt** and **pepper**.
- Roast for 25 min until the **potatoes** are fork tender and halfway cooked through.

Tip! Roasting the vegetables cuts back on calories compared to frying, and it's just as delicious!

2. Prep

- Meanwhile, peel and finely chop the **onion** and **garlic**.
- Pick and finely chop the **parsley**.

3. Cook lamb

- Heat a large pan over a medium heat with a drizzle of **olive oil**.
- Add the **onion**. Fry for 3-5 min until softened.
- Add the **garlic** and **lamb**. Fry for 5 min until browned.
- Add the **tomato paste**. Fry for 1-2 min further.
- Add the **stock cube**, **oregano**, **cinnamon**, **allspice**, **measured water**, and **black pepper**.
- Mix, cover and simmer for 5 min until thickened.
- Turn off the heat and stir in the **parsley**.

4. Make Bechamel Sauce

- Grate the **parmesan**.
- Separate the **egg yolks**, discarding the **white**.
- Heat a saucepan over medium heat.
- Add the **butter** and **flour**. Cook, stirring continuously, for 1 min or until a sandy **paste** has formed.
- Gradually whisk in the **milk**. Cook for 3-5 min until the sauce thickens.
- Remove the pan from the heat. Allow the sauce to cool for 2 mins.
- Whisk in the **parmesan**, **nutmeg**, a pinch of **salt** and **pepper**, and **egg yolks**.

Tip! Adding egg yolks to bechamel thickens the sauce for a custard-like texture when baked.

5. Bake

- To a medium ovenproof dish, add half of the **lamb** sauce.
- Cover with a layer of **potatoes**, then the **eggplants**.
- Add the rest of the **lamb**, and top with the **bechamel sauce**.
- Bake for 20-25 min until golden brown on top.
- Set aside to cool for 5-10 min before slicing.

1. Boil potatoes

Preheat the oven to 200°C/180°C fan. Bring a pot of salted water to a boil. Peel the **potatoes** and chop any large ones in half. Add them to a pot of boiling salted water and cook over a high heat for 15 min. Drain and reserve the pot.

Tip! Prepping ahead? Boil the potatoes and make the stuffing balls beforehand. Roast both in time for dinner.

2. Prep

Meanwhile, boil the **measured water** for the stuffing. Peel the **carrots** and slice them into chunky **fries**. Trim and finely slice the **spring onion**. In a large bowl, dissolve the 1 **chicken stock cube** with the boiled **water**. Add the 50/50/100g **butter** to the **stock**. Once melted, add the **spring onion**, **dried thyme**, **bread crumbs** and **garlic powder**. Stir until the mixture comes together and set aside.

Tip! The stuffing mixture should hold its form when pressed together.

3. Roast potatoes

Once the **chicken** has 5 min left, return the reserved pot with salted water and bring to a boil. Once boiling, cook the **peas** in it for 2-3 min, then drain. Slice the **chicken thighs** and serve alongside the **potatoes**, **peas**, **gravy**, **stuffing**, **carrots** and a dollop of **cranberry sauce**.

1. Prep cabbage

Finely slice or shred the **cabbage**. In a large bowl, combine the **cabbage** with a pinch of **salt**. Lightly massage for 0.5-1 min until the **cabbage** is slightly softened.

Tip! Massaging cabbage softens it, brings out its juiciness and makes it pleasant to eat raw.

2. Prep vegetables

Peel the **carrot**, then continue peeling until you are left with a pile of **carrot** ribbons. Roughly chop the ribbons. Pick and roughly chop the **coriander leaves**. Finely chop the **coriander stems**. Slice the **red chilli** into thin rounds. Slice the **lime** to wedges.

Tip! Alternatively, chop the carrot into thin matchsticks using a sharp chef's knife.

3. Fry beef

Pick and finely chop the **mint**. Heat a non-stick pan over a medium-high heat with a drizzle of **oil**. Once hot, add the **beef mince** and fry for 5 min or until browned. Add the chopped **mint**, **soy sauce** (for beef), **chilli jam**, **lemongrass paste**, **ginger garlic paste** and the chopped **coriander stems**. Fry for 1-2 min further. Turn off the heat and cover to keep warm until serving.

4. Boil noodles

Meanwhile, bring a large pot of salted water to a boil. Break the dry **rice noodle bundles** in half, and add to the boiling water. Cook for 3-4 min or until firm-tender. Drain once cooked, and quickly rinse under running cold water. Add the drained **noodles** to the **cabbage** bowl.

Tip! Breaking the noodles will make the noodle and cabbage salad easier to divide among serving bowls.

5. Mix dressing

Meanwhile, in a small bowl, combine the **sesame oil**, **soy sauce** (for dressing), **rice vinegar**, **honey**, **chilli flakes** (spicy!) and the juice of half of the **limes**, reserving the rest of the **lime** for garnish. Mix well.

6. Toss and serve

Reserve some **coriander** and **chilli** for garnish. Combine the **carrot**, most of the **coriander leaves**, the **red chilli** (spicy!) and the **dressing** with the **cabbage** and **noodles**. Toss well. Divide the **noodle cabbage salad** among bowls and top with the **beef mix**. Garnish with the reserved **lime**, **coriander** and **chilli**.

Tip! Toss your salad just before serving, otherwise it will go soggy.

Olive oil	4 Tbsp
Salt	1 Tsp
Black pepper	1 Tsp

Mash	
Cauliflower	800 Grams
Cream cheese 4*	160 Grams
Salt	1 Tsp

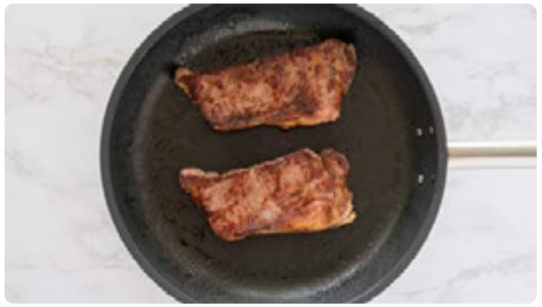
Due to production methods, we cannot guarantee our products are completely free from any allergen such as **Peanuts, Tree Nuts, Sesame Seeds, Milk, Egg, Fish, Crustaceans, Molluscs, Soya, Wheat, Gluten, Lupin, Mustard, Sulphur dioxide and Celery.**

1. Prep

- Bring a large pot of salted water to a boil.
- Chop the **cauliflower** into small florets.
- Add the **cauliflower**.
- Cook, covered, for 10-12 min until soft.
- Finely chop the **parsley**.
- Peel and mince the **garlic**.
- Peel and finely slice the **onion**.

2. Caramelise onion



- Heat a non-stick pan over a medium-high heat with a drizzle of **oil**.
- Once hot, add the **onions** with a pinch of **salt**.
- Fry for 5 min until browned.
- Reduce the heat to medium-low and cover with a lid.
- Cook, stirring occasionally, for 15 min further or until the **onions** have fully softened.
- Add the **sugar**.
- Cook for 3 min or until caramelised.
- Transfer the **onions** to a bowl.
- Keep warm.
- Reserve the pan.

3. Make garlic butter

- Meanwhile, add the **butter** to a small bowl.
- Heat the **butter** in the microwave until melted (or, in a small pot on the stove).
- Add the **garlic** and 2 tbsp of the chopped **parsley** to the **butter** (save the rest for serving).

Tip! Add half of the raw garlic to the butter if you find the taste too punchy.

4. Fry steaks

- Pat the **steaks** dry with kitchen paper.
- Return the pan to a high heat with a drizzle of **oil**.

- Transfer the **steaks** to a plate.
- Leave them to rest for 5-10 min.

- Meanwhile, once soft, drain the cooked **cauliflower**.
- Add it to a food processer with the **cream cheese**.
- Blitz until smooth.
- Season well with **salt**.
- Keep covered until serving.

6. Serve

- Slice the rested **steaks**.
- Serve the **Steak** drizzled with **Garlic Parsley Butter**, **Cauliflower Mash** topped with **Caramelised Onions**.

1. Boil rice

Rinse the **rice**. Add the **rice**, a pinch of **salt** and the **measured water** to a pot with a lid and bring to a boil over a high heat. Once boiling, reduce the heat to low, cover, and cook for 10-12 min or until the water is absorbed and the **rice** is cooked.

2. Prep vegetables

Meanwhile, trim and halve the **snow peas**. Trim and finely slice the **spring onions**. Once the **rice** is cooked, remove it from the heat. Add the **snow peas** and cover with a lid until serving.

3. Fry salmon

Meanwhile, portion the **salmon**. Heat a large pan over a medium heat with a drizzle of **oil**. Once hot, add the **salmon** with a pinch of **salt** and fry for 3-4 min on each side or until cooked through. Once the **salmon** is cooked, transfer it to a plate. Wipe and reserve the pan.

1. Prep

Boil the **measured water**. Add the **stock cube** and boiled water to a jug and set aside. This is your **stock**. Peel and finely dice the **onion**. Peel and mince the **garlic**. Wash the lemon thoroughly. Grate its zest with a fine blade - take care to avoid the bitter pith. Grate the **Parmesan**.

2. Start risotto

Heat a non-stick pan over a medium heat with a drizzle of **olive oil**. Once hot, add the **onion** with a pinch of **salt** and cook for 5-6 min or until softened. Once softened, add the **garlic** and **arborio rice** and cook for 1 min further, stirring to coat the grains in the **oil**.

3. Stir

Add 1/3 of the **stock** and stir continuously until it has absorbed. Continue to add the **stock**, a little at a time for 20 min or until all the **stock** is absorbed and the **rice** is cooked 'al dente'. If you run out of **stock**, add more water (see pro tip!).

> **Tip!** The amount of stock you will require, depends on the size of your pan and the heat over which you simmer the risotto. Make sure to adjust the amount accordingly.

4. Fry seabream

After 10 min, pat the seabream fillets dry with kitchen paper and season the skin with **salt**. Heat a large non-stick pan with a drizzle of **vegetable oil** over a medium-high heat. Once hot, add the seabream, skin-side down and fry for 4 min or until crispy.

5. Add butter

Once crispy, flip the seabream and add the **butter** to the pan with a pinch of **salt**. Cook for 2 min further until the seabream is cooked through and the **butter** is beginning to brown. Remove the pan from the heat.

6. Finish risotto

Once the **risotto** is cooked, add the grated **Parmesan** and 2 tsp of the lemon zest. Season with **pepper** and a squeeze of lemon juice (and **salt**, if needed). Divide amongst plates and top with seabream. Pour any remaining **butter** over the **risotto** and garnish with the rocket.

Due to production methods, we cannot guarantee our products are completely free from any allergen such as **Peanuts, Tree Nuts, Sesame Seeds, Milk, Egg, Fish, Crustaceans, Molluscs, Soya, Wheat, Gluten, Lupin, Mustard, Sulphur dioxide and Celery.**

1. Prep

Preheat the oven to 200°C/180°C fan. Slice the **cherry tomatoes** in half. Finely slice the **green chilli**. Trim and finely slice the **spring onions**. Pick and finely chop the **parsley**. Heat a large pan over a medium heat. Once hot, add the **walnuts** and toast for 1 min until slightly browned and fragrant. Once toasted remove from the pan and set aside. Wipe and reserve the pan.

Tip! Sensitive to spice? Carefully remove the seeds of the green chilli, if you prefer a milder flavour.

2. Bake fish

In an oven proof baking dish combine the **zaatar** with a drizzle of **olive oil**. Drain the **cod**. Add the **fish** to the same baking dish and coat with the **zaatar**, sprinkle over half of the **sumac** (reserve the rest for step 5) and **salt**. Bake for 10-12 min, or until fully cooked.

3. Prep cauli rice

Meanwhile, using a box grater or food processor, grate or blitz the **cauliflower** until it resembles rice grains.

4. Fry cauli rice

Return the reserved pan to a medium-high heat with a drizzle of **oil**. Once hot, add half the **spring onion** and fry for 1-2 min. Add the **cauliflower** and fry for 5-7 min further. Once cooked, add the **parsley** and remaining **spring onion** and mix well. Season with **salt** to taste.

5. Make salad

Slightly crush the **walnuts**. Pick and roughly chop the **fresh zaatar**. To a large bowl, add the **walnuts**, **cherry tomatoes**, **green chilli (spicy!)**, **sumac**, and **fresh zaatar** (reserve some for garnish). Mix well and drizzle with the **pomegranate molasses**.

Tip! Sensitive to spice? Go easy on the chilli or keep it on the side.

6. Serve

Slice the **lemon** into wedges and squeeze the juice over the **fish** to taste. Divide the **cauli rice** and **salad** among plates. Place the **cod** alongside and garnish with the remaining **fresh zaatar**.

Vegetable oil	3 Tbsp
Salt	1 Tsp

Allergens: *9 Soya, *10 Wheat, *11 Gluten, *13 Mustard, *4 Milk, *5 Eggs, *15 Celery, *3 Sesame Seeds

1. Prep vegetables

- Trim the **sugar snap peas**, if needed.
- Halve the **baby corn** lengthwise.
- Separate the **broccoli** to small florets.
- Halve any larger florets.
- Finely chop the **chives**.

2. Prep meatballs

- In a large bowl, mix together the **chicken mince**, **garlic paste**, **soy sauce** and half of the chopped **chives** (reserve the remaining **chives** for step 5).
- With clean hands, knead until all the ingredients are fully combined.
- Divide the mixture into 20 pieces.
- Shape each piece into a **meatball**.

Tip! To stop the chicken mince from sticking to your hands when shaping them into meatballs, coat your hands with vegetable oil before shaping each portion of the mixture.

3. Fry meatballs

- Heat a large pan over a medium high heat with a generous drizzle of **oil**.
- Once hot, add the **meatballs** (in batches).
- Fry for 5-7 min or until browned all over.

Tip! Try to flip the meatballs by detaching them slightly, using a spatula, but then just by shaking the pan. They will brown more evenly and keep a rounder shape.

4. Cook sauce

- Reduce the heat to low, and add the **tomato passata**, **barbecue sauce**, **measured water**, **smoked paprika**, 1 **stock cube** and **brown sugar**.
- Simmer over low heat for 5-7 min until the **sauce** has thickened.

- Once hot, add the **broccoli** and **baby corn** with a large pinch of **salt**.
- Stir fry for 2-3 min.
- Add the **sugar snap peas**.
- Fry for a final 1 min.
- Finally add the remaining **chives** and toss.

Tip! Did you know that broccoli contains as much calcium per gram as milk? Make sure not to overcook it or it will lose much of its goodness.

6. Serve

- Serve the **BBQ Chicken Meatballs** garnished with **sesame seeds** alongside the **Stir-fried Veggies**.

Tip! Serve with crusty bread - perfect for sauce mopping! Or, turn the whole thing into a saucy chicken meatball sub sandwich with stir-fried vegetables to the side.

Pre-heat the grill to high. Rinse the **rice**. Add the **rice**, a pinch of **salt** and the **measured water** to a pot with a lid and bring to a boil over a high heat. 2. Marinate chicken

Slice the **lime** into wedges. In a large bowl, combine the **sriracha (spicy!)**, **honey**, **garlic onion powder**, a drizzle of **oil**, pinch of **salt** and squeeze of **lime** juice to taste (reserve some for garnish). 1. Fry steak

- Pat the **steaks** dry with kitchen paper.

Dry ingredients	
Plain flour 10*,11*	180 Grams
Corn starch	15 Grams
Baking powder	8 Grams
Salt	0.25 Tsp
Blueberries	125 Grams

Wet ingredients	
Butter 4*	100 Grams
Organic Eggs 5*	2 Piece
Lemon	2 Piece
White sugar	200 Grams
Olive oil	2 Tbsp
Sour cream 4*	90 Grams

Lemon glaze	
Cream cheese 4*	120 Grams
Icing sugar	50 Grams

Allergens: *10 Wheat, *11 Gluten, *4 Milk, *5 Eggs

Due to production methods, we cannot guarantee our products are completely free from any allergen such as **Peanuts, Tree Nuts, Sesame Seeds, Milk, Egg, Fish, Crustaceans, Molluscs, Soya, Wheat, Gluten, Lupin, Mustard, Sulphur dioxide and Celery.**

1. Mix dry ingredients

- Remove the **butter** and **eggs** from the fridge so they come to room temperature.
- Preheat the oven to 175°C (no fan).
- Grease and line a 20x10cm loaf pan with **baking paper**.
- In a medium bowl, sift or whisk the **flour**, **corn starch**, **baking powder**, and **salt**.

Tip! You could also use a 20cm square or round pan.

2. Make lemon sugar

- Using a box grater, zest the **lemons** into another large bowl, making sure to avoid the bitter white pith.
- Add the **sugar** to the **lemon zest**.
- Using your fingers, rub the **sugar** and the **lemon zest** together for 1 min until it resembles wet sand.
- Cut the **lemon** in half, and squeeze the **juice** into a jug or smaller bowl. Set aside.

Tip! Rubbing the sugar crystals will help the lemon release its natural oils, which will make the loaf zesty!

3. Mix wet ingredients

- Add the **butter** and **oil** to the **lemon sugar**. Beat or whisk for 2-3 min until well incorporated, and most of the **sugar** has dissolved and the **butter** has softened.
- Crack one **egg** in, and beat until well incorporated into the **butter**, before adding the next.
- Using a spatula, scrape the mixture down in between to ensure it's mixed well.
- Finally, stir in the **sour cream** just until combined.

4. Combine batter

- Add half of the **dry ingredients** into the bowl. Mix on low speed to combine.
- Add **4 Tbsp** of **lemon juice** (reserving the rest for the glaze), and mix until combined.
- Add the remaining **dry ingredients** and using a spatula, stir to combine.
- Add half of the **blueberries**, and fold in gently.

Tip! Avoid overmixing the batter as it will result in a tough texture.

5. Bake

- Spread the **cake batter** into the prepared loaf pan, and top with the remaining **blueberries**.
- Bake in the center of the oven for 50 to 55 minutes, until it's risen and looks golden on top. (check tip).
- Check if the **cake** is done by inserting a toothpick in the center. It should come out clean without any raw batter.
- Remove the **cake** from the oven and set aside to cool completely in the pan for 20 min.

Tip! If the cake is browning too quickly, loosely cover the pan with a sheet of foil or baking paper halfway through baking.

6. Make cream cheese drizzle

- Meanwhile, in a small bowl, add the **cream cheese** and whisk until softened.
- Sift in the **icing sugar** and whisk until combined.
- Add **1 Tbsp** of **lemon juice**, and mix through.
- Place in the fridge to set until the **cake** cools completely.
- Remove the **cake** to a plate or board, and spread the **cream cheese** on top.

Tip! You can slice and store slices of unglazed cake in the freezer, perfect for lunchboxes and on-the-go snacks!

Ingredients

for 4 servings

Dessert	
Coconut oil	40 ML
Peeled pistachios 2*	120 Grams
Brown sugar	10 Grams
Olive oil	2 Tbsp
Lotus biscuits 9*,10*,11*	75 Grams
Whipping cream 4*	150 ML

Allergens: *2 Tree Nuts, *9 Soya, *10 Wheat, *11 Gluten, *4 Milk

Due to production methods, we cannot guarantee our products are completely free from any allergen such as **Peanuts, Tree Nuts, Sesame Seeds, Milk, Egg, Fish, Crustaceans, Molluscs, Soya, Wheat, Gluten, Lupin, Mustard, Sulphur dioxide and Celery.**

1. Blend

- In a small bowl, melt the **coconut oil** in a microwave.
- In a small blender, combine the **pistachios**, **brown sugar** and **melted coconut oil**. Blend for 1-2 min.
- Make sure to scrape the **pistachios** as close to the blade as possible for the first 1-2 min as it will initially form into a dry, thick crumb before blending into a paste.
- Add the **olive oil**. Blend for 4-5 min further or until a smooth paste has formed.

Tip! The consistency of the paste should be thick yet still slightly runny - if it is still too thick, add a drizzle or two more of olive oil.

2. Make crumb

- Using a food processor, blitz the **Lotus biscuits** for 1-2 min to form a fine crumb.

Tip! Don't have a food processor? Place the Lotus biscuits into a large ziplock bag and crush with a rolling pin.

3. Combine

- In a large bowl, combine the **pistachio paste** and **Lotus biscuit crumb**.

4. Make ganache

- Add the **whipping cream** into a separate large microwave-safe bowl.
- Microwave for 1-2 min or until bubbles start forming around the edges. Do not let it boil.
- Add the **milk chocolate** and **dark chocolate** to the **warmed cream** and let it sit for 1 min.
- Using a spoon or spatula, mix until the **chocolate** is fully incorporated.

Tip! The ganache is done when it becomes completely smooth and glossy - it will initially have a thin consistency.

5. Layer

- Gather containers of your choice. Divide the **pistachio Lotus biscuit crumb** between the containers and press down to form an even layer. Filling the container only a third of the way.
- Pour or spoon the **chocolate ganache** over the **biscuit crumb**.
- Cover the **dessert pots** with clingfilm and place in the refrigerator overnight.

Tip! Don't have individual containers? Make it in one single dish. Refrigerating overnight is very important as it will give the ganache a fudgy, mousse-like texture.

6. Serve

- Just before serving, roughly crush the **cornflakes**.
- Garnish each **Pistachio and Chocolate Dessert Pot** with the **crushed Cornflakes**.
